The Holiness of God and the Number 4

by Linda S. Kyle

In the Bible, the number 4 is said to represent His creation, completion, the physical world and equally, Heaven. This is because the actual Hebrew translation for the number four, is foursquare. Lying foursquare, as the Heavenly City lies four square.

While the number 4 itself may not actually symbolize holiness, there are many instances in the Bible, where it is strongly, and albeit, subtly pointing to the very Holiness of God. I have found that there are instances where it is connected to elements that relate TO God's holiness:

Creation and Divine Order is also associated with the Holiness of God: We see this in God's work of creation on the fourth day, where he created the lights in the heavens and established the seasons and years, which signifies order and completeness. These are yet more attributes of a holy God.

The Tabernacle was a dwelling place for God's Holy Presence among his people. Today, that Holy Tabernacle and His Holy Presence is among, with and even IN HIS PEOPLE! In the construction of and in the building of the Tabernacle, specific instructions involving the number 4, such as curtains with 4 colors and 4 pillars, separating the Holy Place from the Most Holy Place were all tied in with the Tabernacle.. These details emphasize the sacredness and order within God's worship:

Revelation 4:4-8

4 And round about the throne were four and twenty seats: and upon the seats I saw four and twenty elders sitting, clothed in white raiment; and they had on their heads crowns of gold.

5 And out of the throne proceeded lightnings and thunderings and voices: and there were seven lamps of fire burning before the throne, which are the seven Spirits of God.

6 And before the throne there was a sea of glass like unto crystal: and in the midst of the throne, and round about the throne, were four beasts full of eyes before and behind.

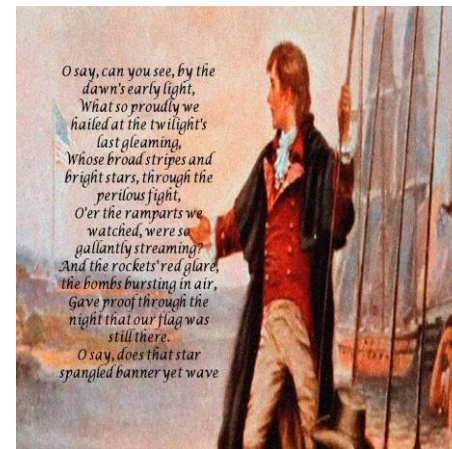

7 And the first beast was like a lion, and the second beast like a calf, and the third beast had a face as a man, and the fourth beast was like a flying eagle.

8 And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come.

See that? Revelation chapter FOUR. Beginning at the FOURTH verse. Ending at the 8th verse, 2 FOURS. Four Living Creatures: In visions like those in Ezekiel and Revelation! Four living creatures surround God's throne, signifying the fullness of creation worshipping the One True Holy God! Therefore, we should look at HOW a number is used in the Bible, upon deciding and decoding the significance of that number. The number 4 is often intertwined with elements and contexts within the Bible that underscore God's Holy nature, decisions and His creative power! HOLY is the Lord!

Linda & I would like to thank each and every one of you who have given to the work of The Lord Jesus in 2024. It means more to us than words can say. We greatly appreciate it. May Jesus give you a great and blessed 2025! ~ Pastor John & Linda

The Four Horsemen

By Linda S. Kyle

I am not the End Times teacher and rarely speak on the subject.. However, since this year began, this message has been forming inside of me. AND, it actually began in April of 2020, 5 years ago. As you all remember, in April of 2020, this whole Covid debacle was just getting underway. But I was able to take some time off and get alone and do some partial fastings and prayer.

During that time, I began to lay out my concern THEN, for the times we were just entering into. I CLEARLY heard, over and over, that it was a turning point in this country, and the entire world, and that we would never be the same again. We would never go back to the way it was before January of 2020.

I knew why, but then I also knew that there was much I was not seeing, just beyond my reach. There still is for all of us. So I decided to get out my Strong's Concordance and do some 'digging' in the Word. The Lord led me to Revelation, chapter 6. (See below)

And with that, let us begin this study together, as it is more than a study. I believe it is an alert to those of us who have eyes to see and ears to hear. It is a chart, a map, if you will.

Revelation 6:1-8

1 And I saw when the Lamb opened one of the seals, and I heard, as it were the noise of thunder, one of the four beasts saying, Come and see.

2 And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer.

3 And when he had opened the second seal, I heard the second beast say, Come and see.

4 And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword.

5 And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand.

6 And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and

three measures of barley for a penny; and see thou hurt not the oil and the wine.

7 And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see.

8 And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

Therefore, when the CV19 debacle was taking place, in 2020, I knew, that I knew, that I knew, that this was somehow the opening of the days of Revelation. Not the actual tribulation, and not like we had seen before, but possibly opening of the REAL 'beginning of the end time days'. And that from now on, we should pay attention. And so, one day I decided to go and read the Book of Revelation again. Much of it seemed to once again open up. I think this is the way the Book of Revelation is. You read through and you see things that you missed at other times. Possibly, this is because we cannot grasp too much at once. I came to the 6th chapter and THIS is when it began to get interesting.

Above, you see the first 8 verses of that chapter. It is the text of what I will be discussing/inserting into the newsletter. I may not cover it all, today. It may have to be carried into the next couple of newsletters. Now, go to verse 2. This is where we will actually get into the 'thick of things'.

John the Revelator tells us that first, there is a white horse. WHO or WHAT is this rider and his horse? There have been many out there, presenting much speculation as to the identity of the rider and the horse. I began to look up things, but I had to put it on hold, until a couple years ago. I am not saying that my study, here, is THE truth. I will just present to you what I have found. Do with it what you will. I began to study this, and what I found I was not expecting to find. So, let us dive deep into it.

Jesus invites us to 'COME AND SEE'. Vs 2: And I saw, and behold a **white horse**: and he that sat on him had **a bow**; and **a crown** was given unto him: and he went forth **conquering**, and to **conquer**." I have highlighted words of interest.

First, we see a WHITE HORSE.

WHITE: G3022 - LIGHT, WHITE. Same as the word for Luke.

HORSE: G2462 - Hippos, of uncertain derivative; HORSE. Now, this is extremely interesting to notice because the word FIRST used for Horse, is hippos. This often times means that in the ORIGINAL, upon translating into English, it may have been deliberately changed, or meant something entirely different, but the translators had no word for what they were presented. I say this because when the Bible was translated into English, the translators were very conscience and very, let's say 'afraid', to speak the entire truth in the translation because to say the WRONG thing, the whole project would have been tossed by the queen. She was an avowed Catholic and them being able to translate the Bible was under high scrutiny. Supposedly, there were many books (scrolls) and much of the translation was changed, due to this, or the other books and scrolls were left out altogether. Some were, however, found to be in error.

An example of this is the Book of Enoch. Many have read this book and they say, "Well, no wonder they would not include it. It is just a bunch of tales." I do not fully support this thinking, simply because when you look far and deep enough into the Word of God and delve into the meanings, you begin to see that possibly much HAS BEEN taken from us in the original translations of the Bible because the Bible is supernatural! The Book of Enoch is the telling of Enoch, and the fallen ones trying to get him to put a good word in for them, to God. But Enoch rebuked them, basically telling them, "You had your chance. You made your choice."

Look at Giants. This topic has been greatly downplayed. Giants went into hiding, in more modern times, but they still exist. I once went on newspapers.com and thought I would do a little of my own investigating. ARE THERE STILL GIANTS in modern times? Earlier on, in the 1930s (and even before then), 1940s, 1950s and the 1960s, there were articles where people had dug up and/or discovered giant bones. Always, and I do mean ALWAYS, in the articles, along with pictures, there was mention of the Smithsonian being contacted. They came and collected the bones. You never heard of it again. It is said that they have several underground levels of artifacts that they hide from the public. WHY do they not want us to see what they are collecting and/or hiding? Could it be that they want to hide the truth from us? The BIBLICAL TRUTH? Giants are real. Demons are real. GOD IS REAL!!!

So, why did the Catholic church want to hide this from the people? Was it control? OR, was it SOMEONE even higher than the Queen of England who did not want this out? There are still many words in the Bible, that have been wrongly translated. Mr. James Strong did his best. You might ask me to give you an example. Look at Job 41:1

1 Canst thou draw out leviathan with an hook? or his tongue with a cord which thou letttest down?

That word, Leviathan (H3882) is translated as such: a **wreathed animal**. A **serpent**. THEN is says especially the **crocodile** or some other **large sea monster**, the **constellation of the dragon**. If you read that whole chapter, you will see that this creature is so big, a crocodile would never fit the description! However, the Hebrew word for leviathan is also taken from a root word, which means to **twine**, that is by implying to **unite**, to **remain**, to **borrow** as a form of **obligation**, to **lend**, **sorrow**. And, if you put these words together, you see a pattern. This word literally means that you become wrapped around, or it wraps around you. You become entwined to it. It unites with you. It remains with/in you, becomes a part of you, borrowing from you, perhaps because of inherited curses, you are obligated, or it claims you are obligated to it, lending and causing you sorrow. As you can see, this was a creature that they had no words to describe, (A REAL CREATURE) but taken from the ancient Hebrew, way back when they may have still had access to the scrolls. Thus, we see that this was NOT a hippopotamus or a rhinoceros, or a crocodile, etc. And today, it is no secret that it is a demonic spirit.

So, we see that THIS is the root meaning for the word HORSE. The words that were said to be the word HIPPOS, in the Greek. Perhaps Mr. Strong had no clue as to how to interpret it. But the root word gives us all we need to know! Thus, we have a light, WHITE creature, possibly a horse, but maybe something else, as it does not come right out and say horse. Remember that old rerun, from YEARS and YEARS ago, Mr. Ed, the Talking Horse? "A horse is a horse, of course, of course." Well, there you have it. A horse is a horse. If it isn't, then WHAT is it?

Now, this horse has a rider. We are given no clues as to the rider. One thing is for certain: the Rider is not a good guy. But he that sat upon the horse had a bow. Let's take a look at that word **BOW**. (See left margin)

BOW: G5115 - Toxon (where we get our English word, TOXIN.) a **bow**. But from the root word Tikto, meaning to **produce** from seed, as a mother, a plant, the earth, etc., bear, be born, bring forth, etc. (WHY is this the root meaning of a bow?!)

CROWN: G4735 - Stephanos - (Where we get the Name, Stephen) - to **twine** or **wreathe**, a **chaplet**, as a badge of

The Ancient Greek word tektōn (τέκτων) is a common term for an artisan or craftsman, especially a carpenter, woodworker, or builder. It can also refer to weaving, fabricating, and joining. The word can be traced back to the Indo-European root tek- or teks-, which means "to cut or fashion with an axe".

The ancient Greek word toxon (τόξον) refers to both a bow and an arrow, and was a tool of war for archers. The word toxikon (τοξικόν) refers to an arrow with a poison tip, but over time it came to mean the poison itself. The word toxic is also derived from toxikon, and is originally a shorter form of toxikon pharmakon.

Briefly, let's go back to the first part of the definition, CHAPLET. This word, in ancient times was typically worn on festive occasions and on holy days. In ancient times a chaplet also served as a crown representing victory or authority.

What do we see with this word, Crown? It could be many things. But we cannot just say or think, 'many things', because we are looking at something happening in the very last days. Something fearful and gripping. I would like you to consider something that I came upon one day, back in 2020. The Corona Virus, under a microscope looked like a crown. In ancient times, a corona was first used in English in the 1500s. it was borrowed directly from the Latin word for "crown." Corona is derived from the Ancient Greek (koronè), meaning "garland" or "**wreath**," meaning "to turn" or "to bend."

This is what a labs website showed: "Under an electron microscope, the corona virus appears as a roughly spherical particle, around 60 to 140 nanometers in diameter. **The characteristic feature that gives corona viruses their name ("corona" meaning crown or halo) are the club-shaped glycoprotein spikes that protrude from its surface. These spikes play a crucial role in the virus's ability to infect cells.** (Look at the picture I have inserted, at the beginning of this article.) This crown wraps around like a wreath or a bond, (or a band) whereas it binds. The creature carried a rider, unidentified, who has a crown and a bow.

CONQUERING and **CONQUER**: G3528 - Nikao - to **subdue** or **conquer**, overcome, prevail, get the victory. This is taken from the root word meaning: **conquest, the means of success**, victory. Both the words, conquering and conquer have the same meaning. I once read that when you see a double meaning, in the Strong's it is very important to pay attention to. We see that in Revelation 6:2, the "bow" held by the rider on the white horse symbolizes conquest, conquering and military power, but it may also represent deception and false authority. As we can see up in the left margin, it is a POISON! A rider presenting falsehood, lies. The white horse and the crown further emphasize the rider's deceptive authority, deceiving people and his outward appearance of someone victorious. The crown revealed that what he was delivering was granting him victory. Ask yourself, during those days, WHO pushed for inoculations. I won't say the other word. Was HE the rider??

I also read that this bow was not just a bow. A bow had an ARROW. An arrow pierces. If the bow is a toxin and delivers its contents through a CHANNEL (blood streams?) and produces seed, like a mother having a baby, birthing something, then what do you think it does? The arrow delivers what the bow is set to deliver. It is said right there, that it conquers.

Thus, we see that this rider is riding on something that MIGHT BE a horse. Might not. And it

royalty, a prize in the public games, or a symbol of honor; more conspicuous and elaborate than the simple fillet. Taken from the root word (G1238) which means Diadema (Where we get our word, Diadem, which means a royal and beautiful crown) a **diadem, as bound about the head**. The root of these words is the **channel** of an act; through local, causal or occasional. To bind. **Zeus**, (the god). Yes, you saw that right. Zeus was a demon. Supposedly, a real creature, half man, half fallen angel. Evil.

And, do you see the GREEK LITERAL meaning? It is a toxin. Poison. (see left margin) THIS is the meaning for the word BOW, in this usage only, in Revelation 6:2. It is used nowhere else in the N/T.

is going to deliver a poisonous seed and by doing do, the rider will conquer and obtain victory. Now, tell me, does this look like a good thing to you?

I submit to you, that when this Covid debacle hit the world in its ugliness, in 2020, it opened a door. I believe it opened the door to begin the countdown. We do not know the day, nor the hour. But from that point on, everything as we know it in our country and the world, went on a downward spiral, and the End Times REALLY began. ENTER: The Four Horsemen! Well, this is all the room I have for this time. Next issue, we will cover the 2nd rider, and we will meet up again, right here! Have a wonderful rest of your summer! \ ☺ /

Knowing The Truth

By Pastor John Kyle

You know, a lot of people and ministers think they have it all figured out; how these End Times will play out. How the Mark of the Beast will take place. How all of the Christians will be raptured out of here, any moment, not just ANY day.

II Thessalonians 2:3-4

3 Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be

revealed, the son of perdition;

4 Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

Many are fixated on how people will be left behind to suffer a 7 year tribulation. How all evil will fall upon mankind. The Bible explicitly says a 3 & ½ year, not 7 year, tribulation. How that Israel will be the center of it all and how the Jewish people are superior to Christians.

Yet, we see that things have not been happening quite the way the prophecy guys, radio shows, TV shows, Podcasts and YouTube, have predicted. Someone is not getting it right and a lot of people are being led astray. Some are saying, "War any minute, and if you don't support Israel at any cost, you are wrong and you hate Israel." I do not hate Israel. I love Israel, have been to Israel and by that, I love THE PEOPLE of Israel.

But wait a minute. Something is wrong here. Let's see what the Bible says about this:

Galatians 3:28

28 There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus.

Romans 10:12

12 For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him.

So who is superior, now, when it clearly says that neither Jews nor Greeks are superior? Those in Christ Jesus have become the 'ONE NEW MAN - or WOMAN'. No race is now superior to another one. There are a lot of things that Christians believe, that are not fully in alignment with

the Word of God. There is still so much the average Christian does not understand. They read it in a book, or hear it in a sermon. They believe it, whether or not they have ever proven it or mirrored it to God's Word. We are, however, going to find that a lot of things are different than what we've thought, or heard pastors, evangelists or radio hosts preach. Even science is showing that life on earth is speeding up. This week, they said that one particular day was the shortest day in history and that it never happened before. The Ocean currents near Antarctica suddenly completely reversed and is now causing a lot of melting in Antarctica. So many 'suddenlies', now.

Things are speeding up and happening more quickly, rapidly. There are signs in the heavens and signs in the earth. But we are here. We have been placed at this time in history to witness many things, To some, it will be overwhelming. And for others, there will be some who turn away from the Lord. For some - us - we will be excited because as we see the time we are living in, we know we are near the end of the age, very soon. We are going to meet the King!

We should all seek Him diligently, and hunger and thirst for the Word. For all this world system of darkness will soon pass away. Jesus is coming soon, and He will set up His Earthly Kingdom. Maranatha!

~A Healthy Walk  
By Pastor John Kyle

**Ephesians 4:29-30**

**29** Let no corrupt communication proceed out of your mouth, but that which is good to the use of edifying, that it may minister grace unto the hearers.

**30** And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption.

To make sorrowful, to sadden. What saddens Him? What do you think? Corrupt communications? Things coming out of our mouth that are not in agreement with God and His Word? Now, know this: grieve doesn't mean leave! Religion teaches us: "Oh, be good or the Holy Spirit will leave you." Lies!

**Hebrews 13:5**

**5** Let your conversation be without covetousness; and be content with such things as ye have: for he hath said, I will never leave thee, nor forsake thee.

Never means never. There is real good news revealed in that verse in Ephesians. You are sealed by the Holy Spirit until the day of Redemption of/for what you are sealed and guaranteed to receive. What is that? Our FULL Salvation! We may grieve Him, but He will never leave us because Him being there is our guarantee of our full salvation.

**Ephesians 4:31**

**31** Let all bitterness, and wrath, and anger, and clamour, and evil speaking, be put away from you, with all malice:

This verse is speaking to whom? Christians! Yes, Christians can be bitter, full of wrath, angry, speak evil of others, clamorous (argumentive), quarrelsome and brawling. Inward and outward sins are sins of thought and sins of action. Bitterness is inward hatred for others. There are 5 Greek words for bitterness:

**WRATH** is a display of bitterness, an outburst; an emotional outburst.

**ANGER** is an inward hostility towards someone. We must deal with it or it will lead to bitterness

and wrath.

**CLAMOR** is a display of anger, quarrelling and physically fighting.

**I Timothy 3:3**

**3** Not given to wine, no striker, not greedy of filthy lucre; but patient, not a brawler, not covetous;

That word, brawler, is the same Greek word for brawling.

**EVIL SPEAKING** is a bad thought that comes to mind and is spoken. Don't let it come out of your mouth. Demons are tempting you, and can get in if you yield.

**MALICE** is an inward sin of the thoughts, malicious or evil intentions. Again, this is an open door if you yield. Verse 31 tells us what we ARE NOT to do, but verse 32 tells us what we ARE TO do:

**32** And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you.

I ask you: Do you have good 'guts'? That word, tenderhearted, in the Greek: **Eusplagchnos**, EU means good, SPLAGCHNOS means bowels or guts. This meant a lot in the day when it was written. It is not just pitying people. It is having a godly compassion that comes from deep within you, from your 'guts'!

When we have that kind of compassion for people, then forgiveness comes easy. It's when we are 'bad guts' that it is hard to forgive, or hard-hearted. The Bible says that Jesus was moved with compassion; tenderhearted. His Spirit is in us. Let's learn to listen to the Holy Spirit.

Forgiving one another. Who? Fellow Believers. How? That's easy: as Christ did. How did He do it? Instantly, with no strings attached! How often?

**Matthew 18:21-22**

**21** Then came Peter to him, and said, Lord, how oft shall my brother sin against me, and I forgive him? till seven times?

**22** Jesus saith unto him, I say not unto thee, Until seven times: but, Until seventy times seven.

Who? Our brothers and sisters in Christ, and other people also. This answer was simply indicative of completeness, the absence of any age limit. It was also to turn Peter away, from a mere numerical standard. God's forgiveness is limitless, as ours should be, also.

Do you have a problem doing this? Then do it for Christ's sake. God forgave YOU for Christ's sake, so you forgive those who have hurt you, for Christ's sake. The alternative is picking up more demons. (unforgiveness, bitterness, hatred, anger, etc.)

There is too much refusal to deal with problems, among Christians. "I'll just never speak to them again." What about forgiveness and restoration? Well, restoration is not always possible, but forgiveness is. You can forgive someone but you do not have to have them in your life. They may refuse restoration, or to be restored would cause you to be in agreement with their sin. But forgiveness is not only possible, but it is required if you are to be forgiven.

**Mark 11:25-26**

**25** And when ye stand praying, forgive, if ye have ought against any: that your Father also which is in heaven may forgive you your trespasses.

**26** But if ye do not forgive, neither will your Father which is in heaven forgive your trespasses.

Salvation Prayer

(Pastor John Kyle)

If you are not born again, ask Jesus to come into your heart now. If you want Him to come into your heart and life, pray this prayer: Jesus, I believe You are God. Come into my heart, into my spirit. I give You my life, now, from this moment forward. I am Yours. Forgive me of all my sins and wash me in Your Blood, I confess You as my Lord and Savior. I believe in You, Lord Jesus. (Romans 10:9-10)
